

You still believe one person can **change** the **world...**

So does JVA—and **we can help** you do it.

JVA CONSULTING, LLC

partners in community and social change

From start to finish, JVA Consulting, LLC works with social innovators—individuals, institutions or nonprofit organizations—to identify challenges, come up with solutions and make sure they have a lasting effect on communities.

We help you develop an innovative approach.

We help you to find the resources to do your work.

We help you to gain the skills, tools and knowledge to make it all connect.

We help you demonstrate the effectiveness of your work.

JVA offers a wide variety of expertise and services. Our team of professional consultants is ready to work with you to achieve the results you want.

For 20 years, JVA has worked with social innovators to strengthen their communities. We have collaborated with public schools to **launch innovative programs** to attract and retain quality teachers; we have helped **raise millions of dollars** to support quality healthcare for the uninsured and underinsured; we have worked to **expand the effectiveness** and ability of hundreds of nonprofit organizations to provide needed human services; and we have **convened community leaders and stakeholders** to talk about a myriad of community issues and to find creative solutions.

We will work with you to develop an approach to ensure the results you want.

Our services include:

- Market research and community needs assessments
- Strategic and business planning
- Resource development and fundraising assistance
- Training and management consulting
- Research and program evaluation

Our success is the result of big ideas, the power of relationships, and the tenacity and courage to stop at nothing short of changing the world—one person, one group, one dream at a time. Call us today and let's work together to transform your big ideas into reality.
